

## Opportunity for development specialists

Sampan'Asa momba ny Fampandrosoana (SAF/FJKM), the department of development and humanitarian assistance of FJKM forms not only a strong part of the church FJKM, it is also a well-reputed national NGO, working and collaborating in the important national fora and coordination bodies, implementing technical cooperation and humanitarian aid with support of the international community to the population of Madagascar.

The internships allow individuals to bring new perspectives, innovative concepts while working as part of the fundraising team of the NGO. The internship program within SAF/FJKM is the opportunity for freshly graduated people and young professionals to gather experiences on proposal designing and submission to several type of donors and grants sizes. Interns will benefit from Malagasy and International professionals and advisors coaching throughout the program.

We are actually offering to 06 motivated individuals the opportunity to grow with us in the field of:

### 1.) Volunteerism

To become a part of the technical coordination with advise to FJKM about the main objective to grow up to 50 000 volunteers till 2025 of our nationwide church volunteer program involved in Disaster Preparedness and Management; environmental actors, psycho social supporters and health-hygiene promoters

### 2.) Integrated development program

To become part of the programs development team that is in charge of developing integrated programs on Food Security, WASH, Health, Disaster Reduction and Environment.

### 3.) Climate Change (strong background environmental impacts, mitigation and adaption)

To become a part of our innovative climate coordination targeting the consequences of climate change to the vulnerable population of Madagascar, especially in the coastal areas but also in the South. Working with GCF, The Adaption Fund, World Bank and other major players, developing smart concepts and bringing them to paper should be your competence.

### 4.) Program/Projects Designing and Management

To become a part of the core team for Action's designing and general coordination within SAF/FJKM especially on Humanitarian relief, Disaster Reduction and Food Security Support. To help to represent SAF/FJKM in several national networks and thematic clusters on Food Security, Disaster Management and Environment.

### Eligibility Criteria

To be eligible for the Internship, candidates must have graduate (a Master's degree at least) in Agronomy, Geography, Environment, Disaster Management or similar field.

The internship is opened only for Malagasy and **fluency in English and high writing skills are highly required.**

We value diversity in our workplace, and encourage all qualified individuals, particularly women and people with disability, with above-mentioned professional and academic backgrounds to apply. Our aim is to create an opportunity for young people to gather practical work experiences in our developing country.

### **Provisions**

The positions are in Antananarivo at the headquarters of SAF/FJKM, with potential travel to the East, South East and Greater South of Madagascar. This is a 6 months' internship and SAF/FJKM will pay a monthly allowance to all Interns and provide coverage of work related travel costs for field trips in the frame of the work. Interns will also benefit from a limited medical expenses coverage.
