

OPPORTUNITY FOR DEVELOPMENT SPECIALISTS

Sampan'Asa momba ny Fampandrosoana (SAF/FJKM), the Department for Development FJKM working for the humanitarian assistance forms not only a strong part of the Church FJKM, but also a well-reputed National NGO. Working and collaborating with the important national fora and coordination bodies, implementing technical cooperation and humanitarian aid with support of the international community to the population of Madagascar.

The internship program within SAF/FJKM:

- is the opportunity for freshly graduated people and young professionals to gather experiences on proposal designing and project implementation. Interns will benefit professionals and advisors coaching throughout the program.
- allows to bring new perspectives, innovative concepts while working as part of the fundraising team of the NGO.

We are actually offering an opportunity to grow with us in the field of **Disaster Risk Management and Food Security** during 3 months.

Eligibility Criteria

To be eligible for the Internship, candidates must have graduate (a Master's degree at least) in the above-named fields. The internship is opened only for Malagasy. Fluency in English and high writing skills are highly required. Other skills such as computing skills are logic same as some experience and knowledge about fund application processes and procedures, accountability and the basics of working with disadvantaged people. We value diversity in our workplace, and encourage all qualified individuals, particularly women and people with disability, with above-mentioned professional and academic backgrounds to apply. Our aim is to create an opportunity for young people to gather practical work experiences in our developing country.

The positions are in Antananarivo at the headquarters of SAF/FJKM, with potential travel to the East, South East and Greater South of Madagascar. SAF/FJKM will pay a monthly allowance to all Interns and provide coverage of work-related travel costs for field trips in the frame of the work. The intern has to bring his own laptop and electronic equipment during the internship.

All applications must be submitted by email to saf@moov.mg. Please formulate your email object as following:

Internship2021_DRRFoodSec_YourName
